

■ ACCIDENT GUIDE

Presented by Dick Watts Insurance

## Accidents happen—even to the most careful drivers.

Knowing what to do after an accident will help you to remain calm and in control. It may even make the experience a little less frightening. Take a moment to review this guide and keep it in your glove compartment in the event of an accident.

*“The last thing I want is one of my customers to have an accident. But I know if that day comes, Safeco will do everything they can to ease the process of getting back on the road.”*
